

**16 June 2008**

## **SCHOOL WASTE MANAGEMENT**

### **NEW CONFIDENTIAL WASTE CONTRACT 2008 -2011**

#### **Background**

For the first time confidential waste destruction and recycling services will be contracted at a corporate level across Leeds City Council.

All confidential waste destruction services should be conducted through YORWASTE from the 1st June 2008.

Advantages of this corporate level contract are:

- Provision of Council staff resources, the Waste Resources Officer will assist with monitoring contract performance, and improvement.
- This contract is competitively priced and will save you money.
- Exact data will be provided on the level of confidential waste destruction used across the Council, providing important information on waste volumes for recycling figures.
- This contract will tighten the control and compliance of a waste stream that is currently dealt with on an ad hoc basis.
- Duty of care charges are inclusive within this contract, no additional charges.
- Yorwaste is a regional company, contributing to the local economy, and using facilities which will work to reduce overall carbon emission related to movements of Council waste.

#### **Pricing Schedule**

Collection is offered at £4 per sack of confidential waste. Paper sacks to be delivered on request. Destruction services will include paper & card archives, CDs, DVDs, and videos. Collection will be performed within 2 days of a request. Waste Transfer Notes will be provided on collection, and certificates of destruction thereafter.
